# Petition to Create a New business in Alameda

| | |
|---|---|
| Petition summary | I support a test-only smog station at 1928 High St Alameda, CA. Having a test –only at this location will benefit the citizens of Alameda by offering another choice for getting his/her vehicle smogged without leaving the city. Having more smog stations will create competitive pricing allowing the citizens of Alameda to benefit. The location of the smog station will allow for ease of access to citizens living on the south side of Alameda. Having more smog stations will help keep local dollars in Alameda. |
| Action petitioned for | We, the undersigned, are concerned citizens who urge our leaders to act now to allow the 1928 High St. Alameda smog location to open. |
